Dr. George Hashim
The Council for Tobacco Research USA
900 Third Avenue
New York New York 10022 USA

Dear Dr. Hashim,

The notification of your contribution to the symposium Nicotinergic Receptors in Neurodegenerative Disease arrived during my absence. We are very grateful for your support which will go towards the expenses incurred by Dr. Catherine Vidal.
We will send you an abstract book from the conference at its conclusion.

With kind regards,

Sincerely yours,

Amanda McRae Chair of the Organizing Committee
